Acts 2:42-48

Community

In today's context:

How could we find a daily expression of what we see in Acts?

How could I personally participate in that?

For personal reflection: What would need to shift in my heart in order for me to be 'devoted' in the way we read of in Acts?

For personal reflection: What would need to shift in my life in order for me to participate in the kind of God focussed community we see in Acts?
